"I'm a very aural person and I like to make noises when I fuck. Sometimes they're out loud and sometimes they stay in my head. Like when I'm getting fucked hard and the little voice inside my head says 'Oh yeah, just like that. Harder, harder!' but it never comes out of my mouth. Only my facial expression says so."

BLACKBOOTY

I have to admit that I have this thing for African chicks. From Africa. Especially Nigerian women. I find them incredibly hot. They're a little more relaxed about themselves than -- say -- chicks from Cameroon or Ghana. I am this way because I had a chance to be with a few in college and they were cool, if you could understand them. I studied pre-med in college and many of them were studying to be nursing students or doctor's aids. Many wanted to go back to Africa and help their people, which I find tremendously commendable. But almost all of them wanted to fool around -- a lot -- because when they go back, the sexual rules are much more strict than here. Some even said "What happens in USA, stays in USA." Those are my kinda gals.

My Nigerian angel, Angelina and I have been seeing each other on and off for a few years. She's a stunner. Dark skin that makes her beautiful white teeth glow. Tight kinky curls in her hair. She's got full, really firm breasts with puffy dark nipples that beg to be sucked. But now Angelina is a bit of a nympho. Has been for about a year. At first, like the other African women, she was very, very shy. She had never been kissed nor been at all intimate with a guy. Over the course of a year I led her along the path of seduction. Now, if and when I get to see her, she's a sexual animal, and she's got me wondering how many men she's devoured. I don't really mind because I've been dipping my pen in the dark ink, too.

One night as we were sitting in my car after a nice dinner out, she told me that she was headed back to Nigeria in two months. Her visa was expiring and she had to go. It made me sad, I told her so. She also seemed sad and we started kissing, softly at first like lovers separating, then more and more

passionately. Those luscious rosy lips of hers immediately swelled and she let out a gasp of pleasure. I took that as my cue to probe her mouth with my tongue and her body with my hands. Even though we had fucked many times, I felt a sense of urgency in this kiss.

She let out a moan and shuffled in her seat. We both felt cramped in

Hey Black Booty Magazine,

It's been a while since I've seen Lacey (Duvall) in a magazine and I gotta thank you for it. She's one fine shorty and I wouldn't mind lubing her pipes.

I love smallish girls and she is so perfectly proportioned. Especially her perfect boobs. I don't care if they've been enhanced, They're perfect. I'd suck those nipples until they were hard enough for her to cum, just be licking and sucking them.

And that fine ass. I'd slap that booty until it went from brown to red. It has a great shape and I'd get behind it and pump cock into her until she couldn't take it anymore.

I could not forget her sexy mouth. Full lips wrapped around my cock as I fucked her throat. She wouldn't be able to take all my nine inches so, I'd have to take it out of her mouth and into her sweet wet pussy. I'd feel her pussy lips around my cock and I would fuck her deep and deeper into her wet, throbbing pussy.

the car so we headed back to her apartment. Within minutes we were in her bedroom and getting naked. We fell to the bed and she flipped me on my back, straddled me and stared into my eyes with a hungry lust that both startled me and intrigued me. She was taking charge of the sexual situation and we stripped one another of all our remaining clothes. She hovered over me and reached for my cock.

soaking wet pussy lips met mine and instantly she let out a warm long and low moan.

As I continued to lick her clit in a circular manner, she began to moan in a rhythmic pattern. My tongue lapped up all the excess juice and went in search of more. As I concentrated on her moans, I could tell they were escalating in their intensity.

I continued to lick at a feverish pace. She dislodged my cock from her throat and mouth and collapsed on top of me. She reached over and proceeded to stroke my still throbbing cock. She reached down and placed her hand on my balls to give them some attention. She fondled my balls while she masturbated me. The feel of her hands stroking my cock and pinching and pulling my ball sac.

Angel sat up and took my cock back into her mouth. The warm feeling of her lips and mouth on my cock was unbelievable. She moaned and continued to cup my balls awaiting my blast. I let out a very strained moan and grabbed one of her ass cheeks very hard. She inhaled and at the same time swallowed the amazing amount of cum that erupted out of me. She continued to swallow and suck as she seemed overpowered by the sensation of my cum entering her mouth.

She grinned and kissed me passionately. I tasted the remains of my cum on her lips and on her tongue. We cuddled the rest of the night away knowing that we'd fuck again before she left. But tonight it was about the warmth and sharing between two people from worlds apart now together and soon to be parted once again.

– Tully in Newark

Angel turned and lifted her leg over me to straddle my face. I gave a light smack to her ass. She lowered her head close to my throbbing cock. She took hold of it in one hand and put the cock in her mouth. In the meantime, I began running the tips of my fingers up and down the insides of her legs. Her ass was stuck straight up in the air and her knees began to lift up off the ground as I would move my fingers up and around her ass and pussy. She started to kiss the area around my cock and kept adjusting her hair to get comfortable. I grabbed her hips and pulled them down as hard as I could. Her

She took my cock sucked it deeper into her mouth. She was sucking my cock deep into her throat. I could feel her entire body shaking and convulsing with each stroke of my tongue across her clit. It was then that it happened. She let out a muffled scream with my cock deep inside her throat and she exploded in a violent orgasm. She choked herself on my cock and slammed her ass down on my face. At the same time as she exploded, she began to squirt all over my face and into my mouth.

I loved the sensation and gave her my own loud moan of approval as

The Clique

my girlfriend experience

My story growing up is like many young black men. My birth dad left my mom before I was born. My birth mother put me up for adoption at six months old and then moved out of town to be with another loser. Fortunately for me I was adopted by a wonderful lady named Honey. She had her own daughter, Nicola, who was a couple years older than me. Other than my birth parents, I, thankfully, grew up relatively normal. Honey told me early on that I was adopted, and that was okay with me. Through high school, my life was pretty normal and grew up with a good group of kids and, of course my family.

Both Nicola and I went to a local community college so we could still live at home and help mom out as much as we could. In school and out, Nicola and I always hung together, because I wasn't the annoying brother most siblings are. She invited me everywhere with her and all her friends loved me. Nicola's posse were the kids every guy at school drooled over, and all the guys hailed me as a king when I was caught with Nicola's friends. They were all hot and an awful lot of fun.

During Spring Break our junior year, Nicola invited some of her best school friends to the house for a sleep over. She got Honey to okay it because she would be gone for

the week. Mom was helping set up a day care center a few towns over and this was the last week before they officially opened. As for me, I would disappear into my room at night and camp out playing my tunes or watching basketball games.

As eight o'clock rolled around I began hearing the doorbell ring. Even though I was upstairs, I could still hear the bell because it was located on the wall at the top of the stairs. The sound of the front door repeatedly opening as Nicola's friend's entered the house and I was able to match a voice to the friend: Estelle, Leslie, and Serena. And lastly I heard Shylene, Nicola's best friend. She had long, luscious jet black hair that fell just below her shoulders, and dark eyes that melted one's very soul. After a half hour I heard someone ask Nicola where I was. Getting up, I opened my door on cue as Nicola hollered "Hey Markie (my real name is Marcus but Nicola called me Markie and I called her Nicki), get your butt down here!" I stumbled down the stairs, greeted the girls and hugged all of them before setting myself down next to

Shylene, who squeezed me affectionately. I joined in the conversation as we talked about school, the town, other kids, and of course, the guys they liked.

I stumbled down the stairs, greeted the girls and hugged all of them before setting myself down next to Shylene, who squeezed me affectionately.

The small talk wound down and it seemed like the girls were struggling for some more to talk about. Suddenly Leslie suggested we play Truth or Dare. "I don't want to?" I whined. "Come on, it's fun!" said Nicki. "Okay, but I'm playing under protest!" I said in jest. Nicki went to the kitchen and found an empty soda bottle and brought it out to the living room. The first spin did its thing as it slowed down and pointed at Serena.

"I'll take truth?" said Serena after the title question was asked. Nicola was first asking if she really gave Ben Jefferson a hand job after physics class. Serena made a face as she answered. "The freshman? No way. That's nasty!" and we all laughed with good cheer. Our rules stated that as the game went on, the questions or dares had to get progressively worse. In the last few rounds, the girls exposed their indiscretions and their foolings around. Fortunately the bottle had not yet pointed to me so I had a free pass so far. Now it was Leslie's turn and I had a feeling something unusual was coming. She spun and that damned bottle pointed at me. Leslie put her hand under her chin as if she was thinking of something diabolical and said, "Marcus..." (they never called me Marcus, that was too much of an equalizer so they called me Markie because I was younger than them.) I squeezed my butt cheeks in anticipation of her dare. "I dare you to kiss Shy on the cheek!" knowing very well my crush on her.

I looked at Shylene and she turned her head as I placed my lips gently upon her sweet, rosy cheeks. In unison they all went "Awww." I blushed and retook my seat. Then the bottle then turned to Estelle in the next play. "Okay," Serena thought a wicked dare, "I dare you to take Marcus into the other room and make out with him for ten minutes." My face turned red and I looked at Nicki to rescue me, but she just shrugged and egged me on. Estelle got up and I followed her into the spare bedroom. We entered the dark room, I flicked on the switch, and Estelle closed the door behind us. Strangely, I never noticed how pretty Estelle was until now. She had long, flowing brown hair and smooth chocolate skin. She sat

on the only thing in the room, the bed. "Do you really want to kiss me?" I asked. "I'm okay with it" She replied. I turned my head and started to lean in as she did the same, and eventually my lips met hers and we shared a long kiss. After we broke it we laughed and talked to fill out the time. "Time's up!" We heard Serena say as she pushed the door open and saw us on the bed. We walked back into the room and joined the rest of the party. Their game mercifully ended and we called it a night.

It was after midnight and I had the munchies so I headed down to the kitchen for some of the sweet potato pie mom had made before she left. On my way to the kitchen, I heard giggles coming from the living room. I peeked my head in and my jaw dropped at what I saw. Shylene was sprawled out on the couch her legs were spread wide while Leslie had her head in between them. Shylene moaned softly, and I couldn't help but feel my dick pressing against my pants with increasing hardness.

Going back upstairs, I walked down the hall until I reached my door. As I went to turn the handle, I felt a hand grab my arm and another around my mouth. Shylene softly whispered into my ear, "I know you saw what

I and Leslie were doing, so we decided in order to keep you quiet, we'd make it your dirty secret too." I opened the door and heard Leslie close it behind her as the three of us walked into my room. Shylene pushed me onto my bed and jumped on top of me with lustful hunger. She pressed her delicious lips against mine, and we started

swapping spit. I found myself face-to-face with Shylene's massive boobs, which were covered in a hot pink bra. I reached behind her and unclipped her bra, and she did nothing to stop it from dropping. She had puffy, brown-

opening. She gasped with pleasure as shock traveled through her body. Her insides were unbelievably wet and tight, squeezing my dick with every bounce she took. After a while, she twisted around in a reverse cowgirl and

bounced on my penis some more, her perfectly round, firm ass playing in front of me, I couldn't help but playfully slap it.

I picked her up and placed her in front of my dresser. Instinctively, she bent over and placed her hands on the dresser as I inserted it from behind and began to thrust gradually harder and faster. In between thrusts, I reached in front and started playing with her jiggling boobs, playing with her hard nipples. She started to orgasm and I increased the speed of my thrusts and took her over the edge. She wilted in my

nipples of perfect size and shape, and I couldn't help but place my mouth on one of her nipples. She moaned with pleasure as my increasing erection pressed against her round butt. She said as she pushed me back once again and went down on me. She unzipped my pants and pulled them down, and my cock slapped against her face. We couldn't help but laugh, but before I knew it, she was stroking my hard on with both her hands.

"I never knew it'd be this big, Marcus. I've never seen a cock so large!" She exclaimed with pure sexual excitement. She placed her lips on the head, before opening her mouth and putting it in her mouth. I moaned softly with pleasure as her saliva enveloped my dick, as she started sucking, she continued to stroke vigorously with both hands. She did this for a good amount of time before she couldn't handle it anymore and while she licked my cock, she took off her panties and placed them on the ground. "I've never actually had a cock so big in me, so please go gentle" She whispered to me as she squatted over me and guided my dick with one hand into her

arms and so I turned her around and she dropped to her knees and started blowing me like crazy.

I treated her mouth like her pussy and tried to ram it in, but I was too big for her to take it all in. She tightened her grip around me and that pressure set me off. I mumbled I was cumming and she stroked me wildly until I gave one final groan and released loads of hot cum into her mouth. She swallowed, opening her mouth again and revealing no cum. "That was so delicious; I am so staying over more often." She exclaimed before sucking the last of my cum out and licking her lips seductively.

We never thought to look up, but when we did we completely forgot about the other girls. Someone turned the light on and I saw Leslie laying on my futon, and the rest of the girls poking their heads through the door, all with the hungry, lustful gaze that Shylene had. Thankfully I didn't see Nicki at my door so my guilt level dropped. Someone turned the light back off and I could tell this was going to be a very long night.

She wilted in my arms and so I turned her around and she dropped to her knees and started blowing me like crazy.
